

property boost

Property Boost works with property investors to grow the value of their property portfolios through renovations.

We renovate apartments, townhouses, flats, houses and whole blocks of apartments. Property Boost helps investors execute plans that increase revenue and manufacture capital growth. We are Melbourne's inner suburbs apartment renovation specialist.

If you are interested in having an obligation free discussion about how we can help you build your property portfolio you can contact Russell Miles on 0418 143 926 or russell@propertyboost.com.au.
